World Access Expands to Innsbrook

RICHMOND, VA, March 29, 2007 – World Access, one the nation’s largest specialty insurance and assistance companies, is expanding and will relocate approximately 200 employees from its North Parham Road headquarters to office space at Innsbrook by June.

“World Access has doubled in size during the past three years,” said Jon Ansell, President and CEO. “All areas of our business have been enjoying tremendous growth and we expect it to continue. This new space allows for future growth and will feature the same state-of-the-art technology and office décor that our associates are accustomed to.”

Founded in 1982, World Access currently employs 670 associates and is best known for its Access America® brand of travel insurance available nationwide through travel agents, airlines, resorts and major travel suppliers like Orbitz. In addition to travel suppliers, World Access’ client list is comprised of employers, banks, credit card companies, healthcare plans, entertainment companies, and more, including Blue Cross Blue Shield and Visa credit cards.

The company has a campus of buildings on North Parham Road that includes a large inbound call center providing medical, travel and concierge assistance, with translation services in 33 different languages to customers around the world.
